ORDER

The matter is before the Court on defendant's Motion for One Week Extension of Time to File Defendant's Post-Hearing Memorandum, currently due on 21 March 2013. The government is taking no position on this request. Given the workload of defendant's counsel since the delivery of the transcript of the evidentiary hearing in this matter and previous extension of time, including two reply briefs, an oral argument, and a supplemental pleading in a capital case in the past week, as well as the volume of materials associated with this case when considering issues in light of the "evidence as a whole," the requested extension of time is reasonable and justified. Therefore, for good cause shown, the motion is ALLOWED. The defendant shall file his post-hearing memorandum on or before 29 March 2013.

This the 19^A day of March, 2013.

JAMES C. FOX
Senior United States District Judge
